RTC DISTANCE LEARNING

"Watch what God does, and then you do it, like children who learn proper behaviour from their parents. Mostly what God does is love you. Keep company with him and learn a life of love. Observe how Christ loved us. His love was not cautious but extravagant. He didn't love in order to get something from us but to give everything of himself to us. Love like that." Eph 5:1-2

- Do you have a hunger in your heart to grow in the things of God?
- Have you been looking for a course that offers not just academic theory but connects you with God on a personal and intimate level?
- Have you ever said; "I would like to go to a Bible school or Training Centre, but do not have the time?"

Then Rhema Training Centre Distance Learning is for you.

We have courses available on CD which you can work through at your own pace. You will complete the same course work the full time students are doing. You will receive the same credits as they do, but at the leisure of doing the work in the comfort of your own home.

Some of the courses available are:
